Information Disclosure Statement

The information disclosure statement filed 10/25/2001 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered. For example no copies were provided for the (OTHER DOCUMENTS) listed on the PTO-1449.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or suggest the claimed method as amended and supported by the reasons provided in the remarks of the amendment filed on 04/06/2005. In particular, the prior art of record fails to disclose in combination the claimed method of filling solid pharmaceutical product packaging comprising the steps of dispensing one or more solid pharmaceutical products from a plurality of different drug sources into a common funnel and effecting relative motion in two directions of motion between the funnel and plurality of product package template cavities, wherein the funnel being selectively located at each of the individual cavities of the template to fill each of the template cavities in a two-dimensional array with one or more solid pharmaceutical products, in the claim environment (Figs. 1-3).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
